'Start-up of the year' Finalists

verticode.co.uk

Verticode moved into Electric Works at the start of this year and were recently announced as finalists in the 'start up of the year' category by Sheffield Business Awards.

The Sheffield Business Awards are organised by Sheffield Chamber of Commerce annually and this year's ceremony will take place on Thursday 17th October at The University of Sheffield's Octagon Centre. Verticode is one of five shortlisted finalists for this prestigious award and as our very own 'Electric Works Sparks', we'll be rooting for them on the night! Congratulations and best of luck Verticode!
