Farewell to Anastasiia Karpenko

Anastasiia joined the Electric Works community in 2023 and has played a central role in our front of house service for occupiers, virtual clients and visitors. After two successful years with us, Anastasiia recently started a new position at Voluntary Action Sheffield as Business Service and Development Manager for The Circle.

You may or may not know that Anastasiia also has a side hustle as a Zumba Instructor and is a passionate trainer of people with varying levels of experience, from beginners to pros and everything in-between. What better way to keep in touch than to join one of Anastasiia's regular weekly classes in Dore and Totley. [Follow on Instagram to learn more.](#)
