EW Summer Garden Party

SAVE THE DATE

Wednesday 14 August
4pm-5pm
The Club

It's that time again! This year our Electric Works Summer Social will be Garden Party-themed. Think afternoon teas, Pimms, beer, croquet and boules, but without the risk of rain stopping play! The Club will be transformed into a summer picnic and games area and the food, drinks and entertainment are all on us! All you need to do is turn up and bring the fun.

Occupier News

Simpson Associates joined the Electric Works community in 2022. Part of a national team of data consultants, the Sheffield office is one of two northern hubs strategically located to support their hybrid workforce.

Last week Simpson Associates were announced as a Microsoft Partner of the Year for Community Response.

MD, Giles Horwood described the award as a testament to the teams' commitment to using data and AI to drive positive social impact. You can read more about this achievement from your Electric Works neighbours [here](#).

“

The power of AI has enhanced what the police forces can achieve, speeding up the ability to solve cases, ensuring justice is served and the communities protected.

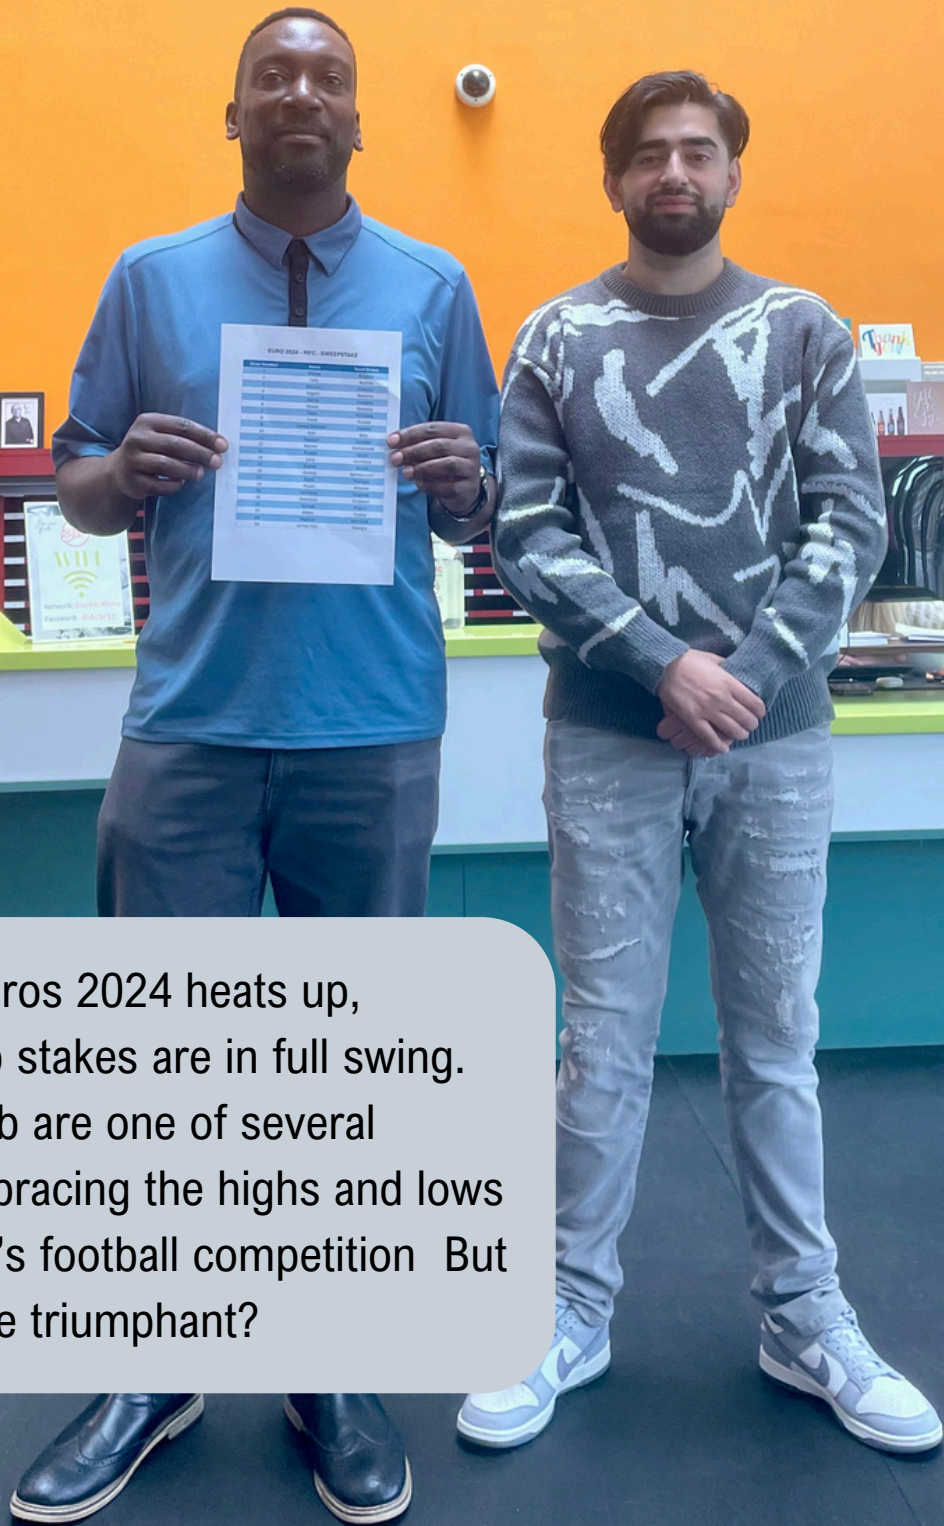

— Giles Horwood, Managing Director, Simpson Associates, speaking about the award-winning project that brought national crime data platforms together to support UK-wide policing efforts.
